

Kevin Collins Abilities Scholarship

DESCRIPTION

The *Kevin Collins Abilities Scholarship*, provided by C.W. Shasky & Associates, is presented to a post-secondary student with a disability who is pursuing a career in the Foodservice or Hospitality industries.

For 17-plus years, Kevin Collins was the Executive Director of Friends of We Care, an organization composed of Foodservice and Hospitality industry members whose mission is to send kids with disabilities to accessible summer camps across Canada. During his tenure, Kevin has led the group in raising over 20.5 million dollars and has established a national presence for Friends of We Care.

In February 2017, Kevin Collins accepted the position of President and CEO at Easter Seals Ontario. This organization assists children with physical disabilities and their families. The move provides Kevin the opportunity to come full circle. He was born with cerebral palsy, attended Easter Seals summer camps for 8 summers and was an Easter Seals ambassador “Timmy” in 1976.

Kevin’s willingness to not let anything stand in his way exemplifies what it means to focus on ABILITY, not disability. Friends of We Care is proud to present this award to a future leader in the Foodservice or Hospitality industry to help him or her realize their ambitions and abilities.

Any interested applicants are asked to submit an application form that is provided below, along with a 1-2 page letter and/or a 1-2 minute video link describing why they should be considered for the Kevin Collins Abilities Scholarship.
