

Am I eligible for help at a free tax clinic?

You may be eligible for help at a free tax clinic if you have a **modest income and a simple tax situation**.

In general, you have a modest income if based on your family size, your total family income is less than the amount shown in the chart below. Confirm these amounts with your local community organization as their amounts may be different.

Family size	Total family income
1 person	\$35,000
2 persons	\$45,000
3 persons	\$47,500
4 persons	\$50,000
5 persons	\$52,500
more than 5 persons	\$52,500 plus \$2,500 for each additional person

In general, your tax situation is simple if you have no income or if your income comes from these sources:

- employment
- pension
- benefits such as Canada Pension Plan, disability, employment insurance, social assistance
- registered retirement savings plans (RRSP's)
- support payments
- scholarships, fellowships, bursaries or grants
- interest (under \$1,000)

Your tax situation **is not** simple if you:

- are self-employed or have employment expenses
- have business or rental income and expenses
- have capital gains or losses
- filed for bankruptcy
- are completing a tax return for a deceased person
