

Adjusting to Hearing Loss Facilitator Training Workshop

Sponsored by
The Canadian Hard of Hearing Association
Manitoba Chapter

Hearing loss affects everyone, and successfully managing and living with a hearing loss requires more than wearing a hearing aid.

If you know or work with those who have hearing loss, then please join us for this workshop and learn the skills, information, and resources that are needed to help the hard of hearing adjust to their hearing loss.

Upon completion of this workshop you will have the skills to facilitate support groups and classes that are offered by the Canadian Hard of Hearing Association-Manitoba Chapter.
